EDUCATION

Graphic Era Hill University Bachelors of Technology In Computer Science CGPA: 8.0	Dehradun, Uttarakhand October 2020 - July 2024
Sant Kabeer Academy Intermediate Percentage: 79.1%	Dehradun, Uttarakhand July 2020
Sant Kabeer Academy High School Percentage: 79.3%	Dehradun, Uttarakhand May 2018

SKILLS

Programming Languages:	C, C++, Javascript, Java, Python, HTML, CSS, SQL
Libraries/Frameworks:	React.js, Tailwind CSS
Databases:	MySQL
Software:	Vscode, Github

PROJECTS

E-Commerce Link	<i>React, Redux Tool-kit, Tailwind CSS</i>
Developed a fully functional e-commerce website with features for adding and deleting items from the cart, utilizing Tailwind CSS for modern and responsive styling.	
Comparative Analysis of Brain Tumor Detection System Link	<i>Python, Machine Learning</i>
Developed and analyzed brain tumor detection systems, achieving 96% accuracy with Xception, 91% with ResNet, and 89% with CNN models.	
Chatbot Link	<i>React, Redux Tool-kit, Tailwind CSS</i>
Designed and developed a Google Gemini clone website using React and Tailwind CSS, integrating API calls to deliver dynamic responses and implementing a responsive and interactive user interface.	

INTERNSHIP

ICT Academy Full Stack Web Development	<i>September 2023 - October 2023</i>
During my internship, I gained hands-on experience implementing Java OOP principles and utilizing JavaScript for DOM manipulation. This opportunity allowed me to deepen my understanding of both languages while developing practical skills in full-stack development.	
Arterns Technologies React Developer	<i>May 2024 - October 2024</i>
During my Internship, I built dynamic web applications, added new features, optimized performance, and collaborated on API integrations. I gained hands-on experience with React, Redux, and responsive design, while improving my problem-solving skills.
